Sir:

With disbelief and regret we learned of the news of the death of Ambassador Adolph Debs. The faculty and staff of Southwestern At Memphis extend to you and your associates our sympathy and the sorrow we all feel over the loss of so fine a friend.

His service on our campus won for him the highest regard and admiration of all who came in contact with him, and we are grateful to the State Department for the Diplomatic-in-Residence program that shared him with us as teacher, colleague and friend.

Very truly yours,

*James H. Daughdrill, Jr.*
